Linda, please find the certs we received on this case. By the way, I'm going to ask the officers to re-submit the drugs for testing. Please let me know if you have any further concerns.

Regards,

Evandro

Hi Evandro:

I just left you a voice message about this case. Specifically, we can't find this defendant in our drug lab database, nor is there reference of a lab specimen number in the attached document request. Would you have access to any further information that might help us find the testing records associated with this case? Is there a time frame, an alternate name, a co-defendant, type of drug, etc, by which we would be able to narrow our search?

Thanks,

Linda
